

PREAMBLE

Attention: FNQ Volunteer Inc. Member Organisations

There are 2 categories of nominations again this year:

- a) Short-term Volunteering (3 years or less) – Winner
- b) Long-term Volunteering (more than 3 years) – Winner

This has been done so that:

- a) short-term volunteers can receive recognition for their efforts and not have to compete with long term volunteers
- b) it provides encouragement for short-term volunteers to stay longer with their organizations
- c) long-term volunteers are recognised and acknowledged appropriately

N.B. Member/Host Organisations may nominate one volunteer only for each category; or one volunteer in one category only.
