# What is the ACVVS

The Aged Care Volunteer Visitor Scheme matches friendly volunteers to older people needing social connection.

## Who is the Scheme for?

To welcome a visitor you need to receive:

- A home care package
- or be on the waiting list
- or be in residential aged care

You may self-refer or be referred by a thoughtful person who believes you could benefit from regular visits.

We take the time to get to know you, your interests and your passions and match you with a suitable volunteer.

## During visits you might:

- Enjoy a cuppa and chat
- Read, do puzzles or play cards
- Do gardening together
- Listen to music or do craft
- Get a helping hand with technology

Whatever your interest, just let your visitor know what you would like to do.

**In a world where families are scattered, and schedules are hectic, the scheme brings together volunteers with seniors seeking a little extra warmth in their lives.**
